AREAS OF SPECIALISATION

Philosophy of Logic, Philosophy of Mathematics

AREAS OF COMPETENCE

Mathematical Logic, Formal Metaphysics, History of Philosophy

EDUCATION

University of Oslo, Norway — *October 2024 – present*
PhD in Philosophy
Doctoral Research Fellow in the ERC-funded project *C-FORS: Construction in the Formal Sciences*
Supervisor: Øystein Linnebo

University of Oxford, UK — *April – June 2026*
Recognised Student (visiting period funded by the University of Oslo)
Supervisor: James Studd

Università della Svizzera italiana, Lugano, Switzerland — *September 2022 – August 2024*
MA in Philosophy
Thesis: *What Semantics for Potentialism?*
Supervisor: Øystein Linnebo

Università Cattolica del Sacro Cuore, Milan, Italy — *October 2019 – December 2022*
BA in Philosophy

WORK IN PROGRESS

On Variable Quantities and the Domain Principle

Against the Equivalence of Potentialist and Actualist Set Theories

TALKS

InFors Kickoff Workshop [*invited*] — *9 October 2026*
The Domain Principle and Variable Quantities — Oslo, Norway

FilMat Conference 2026 — *10 September 2026*
Against the Equivalence of Potentialist and Actualist Set Theories — Bologna, Italy

3rd ESPM Summer School — *31 August 2026*
Against the Equivalence of Potentialist and Actualist Set Theories — Bari, Italy

Logic Colloquium 2026 — *3 July 2026*
Against the Equivalence of Potentialist and Actualist Set Theories — Swansea, UK

New Perspectives on Theoretical Equivalence Workshop — *23 June 2026*
Against the Equivalence of Potentialist and Actualist Set Theories — Oslo, Norway

Bergen Graduate Conference 2026 — *24 April 2026*
Against the Equivalence of Potentialist and Actualist Set Theories — Bergen, Norway

SILFS Postgraduate Conference 2025 — *11 June 2025*
On the Equivalence of Potentialism and Actualism — Turin, Italy

CPS Lunch Forum, University of Oslo [*invited*] — *April 2025*
The Problems of Potential Infinity: On Variable Quantities and the Domain Principle — Oslo, Norway

Syntax, Truth, and Paradox Summer School *20 June 2024*
On the Collapse of Potentialism into Actualism Lugano, Switzerland

Annual Toronto Graduate Philosophy Conference 2023 *4 November 2023*
Aristotelian Potentialism and Kripke Models Toronto, Canada

SPLOGIC 2023, Poster Session *10 February 2023*
Negation in Paraconsistent Systems Campinas, Brazil

TEACHING

Logic Tutor, Università Cattolica del Sacro Cuore *November – December 2022*
Ran tutoring sessions in logic during the final year of my BA.

ORGANISATION

Reading Group on Abstract Algebraic Logic *September 2026 – present*
Organiser. Reading of J. M. Font, *Abstract Algebraic Logic: An Introductory Textbook*

Reading Group on Formal Approaches to Theoretical Equivalence *January – June 2026*
Organiser

Vice-President, Ratio *October 2023 – October 2024*
Coordinated and organised the association's events, including talks by visiting professors, reading groups, and student talks.

TRAVEL GRANTS

Travel Grant for Longer Research Stays, IFIKK, University of Oslo *2026*
Research stay at the University of Oxford

Association for Symbolic Logic Travel Grant (USD 200)

SPLOGIC Travel Grant, São Paulo School in Contemporary Logic and Information *2023*

SUMMER SCHOOLS

ESPM Summer School 2026 *31 August – 4 September 2026*
European Society for the Philosophy of Mathematics, University of Bari, Italy

ESSLLI 2025 *28 July – 8 August 2025*
European Summer School in Logic, Language and Information, Ruhr-Universität Bochum, Germany

Syntax, Truth, and Paradox Summer School *17 – 21 June 2024*
Università della Svizzera italiana, Lugano, Switzerland

ESSLLI 2023 *31 July – 11 August 2023*
European Summer School in Logic, Language and Information, University of Ljubljana, Slovenia

SPLOGIC 2023 *6 – 17 February 2023*
São Paulo School in Contemporary Logic and Information, Universidade Estadual de Campinas, Brazil
